

Inquiry form single-fluted gun drills

solid carbide head

Ø2 - 40,0mm

Flute length max. 3000mm

Quantity

_____ pcs.

similar to
standard item _____

Coating

bright finish

TiN

TiCN

_____ other coating

Chip breaker
(for long-chipping steels)

Material

Material
to be cut _____

Tensile strength/
hardness _____

N/mm²
HRC

Machine type

Deep hole
drilling machine

Conventional
machining center
(max. 40xD)

Deep hole
drilling oil

Soluble oil

_____ bar

Coolant

Coolant Pressure

Driver

none

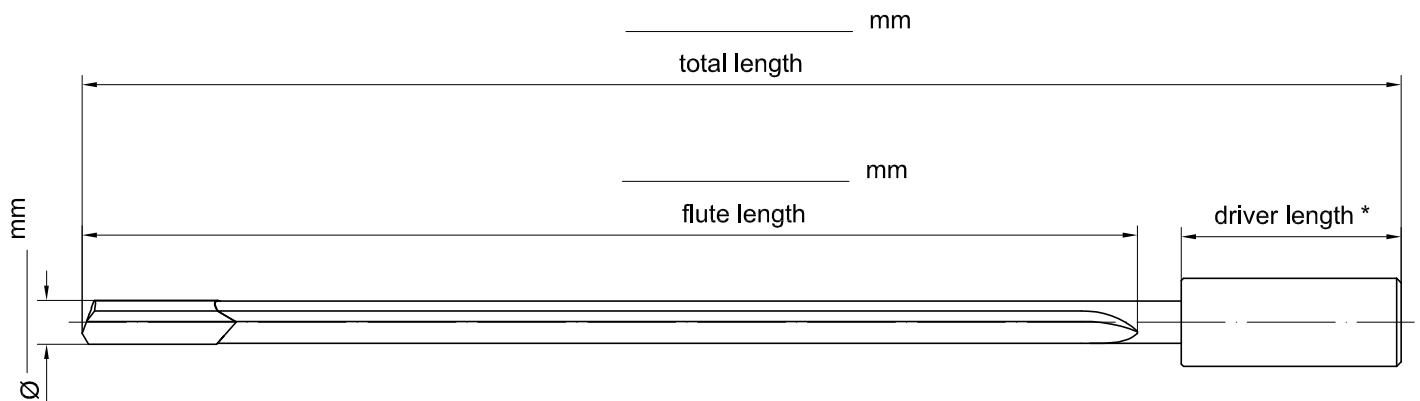

Code no. _____ (* see driver chart)

Workpiece

Drilling depth _____ mm

Hole tolerance _____

Dimensions
